# The Michita Daily Eagle. and massive carved seats for the stoop and here and there THE GUITAR OF ROSA DEAN.

M. M. MURDOCK, Editor.

### A READER WANTS TO KNOW.

A READER WANTS TO KNOW.

"To the Editor:

"The Eagle claims to be an Associated Press paper, receiving the full text of the dispatches. Without desiring to he impudent, not yet to appear inordinately important. I would like to know why if the same wires serve all papers simultaneously that on Saturday morning the Engle contained a long account of a great and disastrons fire in New York but which account did not appear in either of the Kansas City papers are bounced the non-appearance of Prince Henry, while the Engle fectored his safe arrival, but the Engle a little too efferprising in its guesswork: It's hardly probable that the Kansas City papers would full to publish the full text of the important news alinded to. NEWS STAND PATRON."

onswer, especially for a general newspaper reader. The Kansas City papers publish the Associated Press reports in full. All of the same report is received by the Eagle, and remarriages they would not be legal if contracted in Bet when the strings were touched—then which if it could safety many the series of the the state where the parties originally lived. which, if it could safely guess upon the arrival of the the state where the parties originally lived. Prince, could hardly figure out a fake fire for New York, giving the names of the victims. The fire occurred as found in the Eagle, Saturday morning, and the Prince arrived, as tions of this medley of marriage and divorce up to date. stated by the Eagle Sunday morning, and there was no double dealing, either upon the part of the Kansas City sons be ostracized by society-the remedy suggested by papers or by the Eagle. The explanation is one of time a worthy bishop for the divorce evil? Precedent does not and distance, neither of which can be discounted. The Saturday and Sunday morning Kansas City and Topeka papers, as read by the people of those two cities, respec- tional divorce law? It ought to. tively contained both the account of the fire and the announcement of the arrival of the Prince. The trouble with our critic is, he reads what are known as "fast mail" editions of these other papers, which in fact are made up ing as his brother Sam, whose language has always been and printed in the afternoon and evening of the day pre- more noteworthy for strenuousness than elegance. Besides getting their state into innumerable troubles, up garruitty, petulance and the general whine the country hears from it so much. many of them are no great credit to the country either as statesmen nor as citizens.

THE HOME OF CECIL RHODES. Difficult, Indeed," says H. C. Shelly in the Pebruary mantic than that occupied by Groote Schuur at Ronde. Deputies. boach, on the lower slopes of Table Mountain, some five Queen Alexandria has ruled out bare shoulders at miles from Cape Town. The approach to the house is daylight royal receptions. The males will appreciate this. along a lefty avenue of magnificent pines, and when the toniz entrance eventually opens into view there is at first a alight feeling of disappointment that this should be the home of a man whose name is suggestive of colorsal Grover Cleveland also refuses to meet Prince Henry.

Things. The over-towering trees belief the house and Cleveland is an espirant for a thing term same. the massive mountain is the background seem to have a chearing effect. But when Groote Schuar is autwoyed from George Silve has maked in many a day. the rear all this is forgotten. The stalwart pines give a delightful setting to the building, the Dutch terraced garden weaves around it a garland of color, and the dreamy distance of the Cape Flats almost removes the picture into the realm of imagination. Some fifteen hundred acres making a good fat of it. around Groote Schung and away up on the mountain's side sciong to Coull Bhodes, and he is rapidly transforming them into a vast open air prological garder, " " "

The house is full of such articles as a wealthy Butchman loves to gather round him, reresold chests, and fine vaces, short body blow.

an ancient cannon which has done duty in some memorable . The guitar of Rosa Dean hous off the battle of the past. The quaint home life of the Dutch seems to appeal to Cecil Rhodes as nothing else does, Those who know him best affirm that Groote Schuur is the only evidence he has given that there is a sentimental side to his nature."

### MARRIAGE AND DIVORCE UP TO DATE.

The New York World says: A well-known New York woman divorced from her husband in South Dakota seven months ago, has just married again in Indiana.

oman divorced from her husband in South Dahota seven on the ago, has just married again in Indiana.

Her former husband married, tumediately after the vorce was granted, a woman whom he had "learned to strument, "that is a roarer. Let me keer-leasty draw a few lines from its interview." divorce was granted, a woman whom he had "learned to love" during his wife's temporary absence from home, and The above note explains itself, and should call for no divorced from his wife, by whom he had three children.

Who was divorced in order to marry him. Likewise the Rosa Deane snapped her black eyes and man whom the first wife has just married out west was handed him the guitar. It was old—very old. The inlaid mother of pearl, the ivery who was divorced in order to marry him. Likewise the divorced from his wife, by whom he had three children, that he might marry his new "affinity."

To add to the complications of these triple divorces

It only remains for the one deserted and unconsoled husband in this state to marry the abandoned wife out west to complete the serio-comic complexities and compensa-
